Measurements

Analytical

ABB Automation
pH, ORP, conductivity, DO & Boiler optimization

Analytical Technology, Inc.
Water quality & toxic gas monitoring

ChemScan.

ChemScan - Applied Spectrometry
Water & wastewater process chemistry analyzers

Enerac
Handheld & portable combustion & emission analyzers

Flow

Sierra Instruments, Inc.
Thermal mass flow meters & mass vortex meters

Control Microsystems, Inc.
Gas well head & pipeline flow meters & computers

Crane Manufacturing, Inc.
Orifice plates, flow nozzles & meter runs

Eastech Flow Controls
Ultrasonic flow and level measurement

EMCO Flow Systems
Pulsed AC magnetic flow meters

Level & UST Leak Detection

Ametek - PMT Division
Submersible level transmitters & transducers

Eastech Flow Controls
Ultrasonic flow & level measurement

MTS Sensors
Liquid level monitors & systems

Ronan Engineering
UST Leak detection & level monitoring

Pressure

Ametek - PMT Division
Pressure and level transmitters/transducers

Control Microsystems, Inc.
Pressure, DP & multi variable transmitters

Temperature

Pyromation, Inc.
Thermocouples, RTD's, thermistors & related equipment

Alloy Engineering
Thermowells & protection tubes

Controls

Embedded & Custom Controls

SJE Rhombus
Custom embedded control solutions

Industrial Computers & Displays

Modular Industrial Computers
Industrial computers, displays, enclosures & workstations

Panel & Signal Conditioning

Altech Corp.
Terminal blocks & industrial panel equipment

Precision Digital
Digital panel meters, multiplexers & displays

Ronan Engineering
Annunciators, sequential event recorders & IS barriers

PLC's, Telemetry & Controls

Control Microsystems, Inc.
SCADA optimized PLC's, radios & SCADA software

Unitronics
Integrated PLC's with built-in operating panels

Future Design Controls
Recorders & controllers for temperature process

Radios

Control Microsystems, Inc.
Licensed & spread spectrum radios

Valves

Plast-O-Matic Valves
High quality automated & manual plastic valving

Environmental & Process

Peerless Manufacturing, Co.
NOX removal, selective catalytic reduction equipment
